20 Rugged, Typey Bulls

35 Beautiful, Quality Females

SHORTHORNS FOR HALF A CENTURY

For over fifty years, registered Shorthorns have played a big part in the successful operation of Swanson Farms. Continuously they have bred into them the quality that makes for most efficient beef production at a minimum cost. Versatility, adaptability and utility have been the things most earnestly sought. The young bull N. U. Royal Nugget at present is siring the best calves ever produced in this herd. They are strikingly uniform in their thickness and compact type and above all in the bulging, full quarters that they all carry. Twenty-four sons and daughters of this bull sell in this sale, with 17 choice heifers mated to Divide Defender 2d, whose first calves now arriving in the Swanson herd invite your careful and critical inspection on sale day.

SHORTHORNS WITH EVERYTHING ESSENTIAL

Hillbrook Farm, Estherville, Iowa, is equipped with one of the best Shorthorn breeding plants in America, both as to correct equipment and in their carefully planned and well developed breeding herd. The foundation for this herd was started at the time of the Hopley Stock Farm Dispersal Sale in 1933 at Atlantic, Iowa. Such outstanding breeding bulls as Helfred Moonlight by the champion, Brae Lodge Headlight and N. U. Goldminer by Ashbourne Standard, sire of the International grand champion steer Ashbourne Orange, have left a splendid lot of breeding cows. The present herd sires, N. U. Gold Nugget and Killearn Norseman 3d are featured elsewhere in this catalog.

Hillbrook Marigold 11th, First in Class
1945, Chicago Congress

Hal Williams says:

"Hillbrook Marigold 11th by N. U. Gold Nugget that I purchased in the 1945 International Congress Sale for \$1,600—from Hillbrook Farms, Estherville, Iowa, has developed into a great individual. Many California cattlemen think she is the best individual they have ever seen."

Note: Hal Williams, Madera, California, has during the last 18 months assembled possibly the greatest lot of Shorthorns from American leading herds that have ever gone into the foundation of any registered Shorthorn herd.
